CLARITY CHILD GUIDANCE CENTER NAMES DIRECTOR OF COMMUNITY RELATIONS

SAN ANTONIO – Beth Confer, MA, LPC, has joined Clarity Child Guidance Center (CGC) as director of community relations. She will present the services of Clarity CGC to the medical community and at conferences, agency meetings and schools.

Beth has worked in the healthcare/mental health setting throughout her career. Prior to joining Clarity CGC, she was responsible for marketing Meridell Achievement Center (a residential treatment center for kids). She has experience in research, case management, as a therapist and in program management with organizations including the Battered Women's Shelter, UT Health Science Center, Covenant Hospital and Methodist Hospital.

Beth received her bachelor's degree in psychology from the University of Texas at San Antonio (UTSA) and her master's degree in educational psychology from UTSA.

Beth will also facilitate the ongoing community training Clarity CGC provides to assist professionals, families and advocates to effectively support the children in our community struggling with a mental, emotional or behavioral disorder. She will plan the Continuing Education Units (CEU's) Community Presentations and support the annual claritycon summit on children's mental health.

Clarity CGC, a nonprofit mental health center, offers a wide range of treatment programs, including: outpatient services, on-campus 24-hour acute care inpatient treatment, and on-campus day treatment. Last year, Clarity CGC provided treatment to nearly 8,000 kids ages 3-17 in Bexar County, through two facilities in the Medical Center. Our goal is to provide families greater access to children's mental health care regardless of their ability to pay. As a result of our services, we help heal young minds and hearts. Visit www.claritycgc.org to learn more.
