CLARITY CHILD GUIDANCE CENTER SELECTED AS TOP WORKPLACE FOR 2014

SAN ANTONIO – Clarity Child Guidance Center (CGC) has been named a San Antonio Express-News Top Workplace for 2014. Recipients of the Top Workplace award were announced on October 23, 2014, and revealed to the San Antonio area in the Top Workplaces special section published in the San Antonio Express-News on Sunday, October 26, 2014.

The Express-News and Workplace Dynamics, an independent research firm, determine the Top Workplaces in the San Antonio area. Award recipients are chosen through employee surveys on a variety of workplace topics. Survey results are verified by an independent organization.

“We are thrilled to be recognized with this award,” says Fred Hines, president and CEO of Clarity Child Guidance Center. “We’ve always said it takes a special person to care for kids and we’re so thankful our staff finds the kind of satisfaction in their work, and their workplace, to respond with such high ratings for Clarity Child Guidance Center.”

Clarity CGC is a nonprofit mental health center for children and adolescents and offers a wide range of treatment programs, including: outpatient services, 24-hour acute care inpatient treatment, and on-campus day treatment. Last year, Clarity CGC provided treatment to nearly 8,000 kids ages 3-17 in Bexar County, through two facilities in the Medical Center. In January, the center opened the first Clarity Child Guidance Clinic to support the west side of San Antonio. The goal of Clarity CGC is to provide families greater access to children’s mental health care regardless of their ability to pay. Visit www.claritycgc.org to learn more.
