

Please ensure you are in a secure area while calling your Doctor.

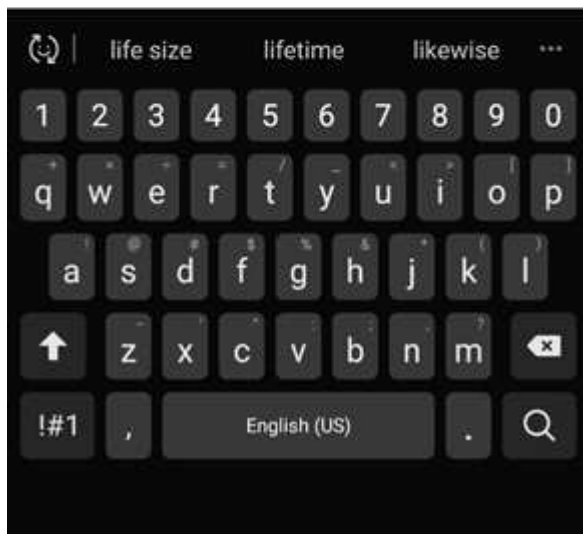

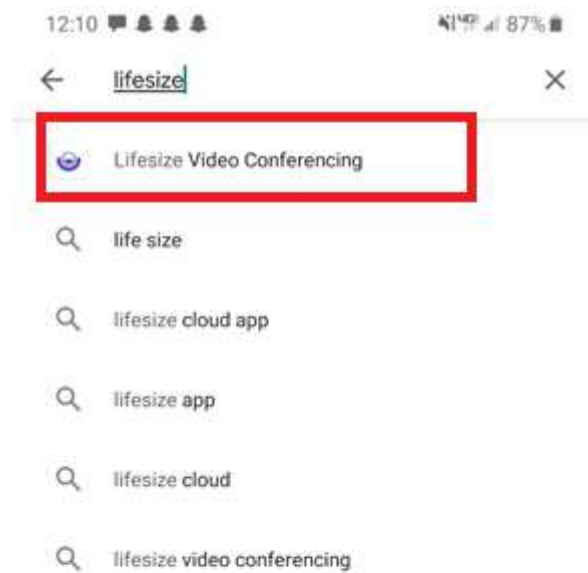

Here are the 7 steps to add the "Lifesize" application to your phone.

1. Open your App Store or Google Play Store (if you have an Android)

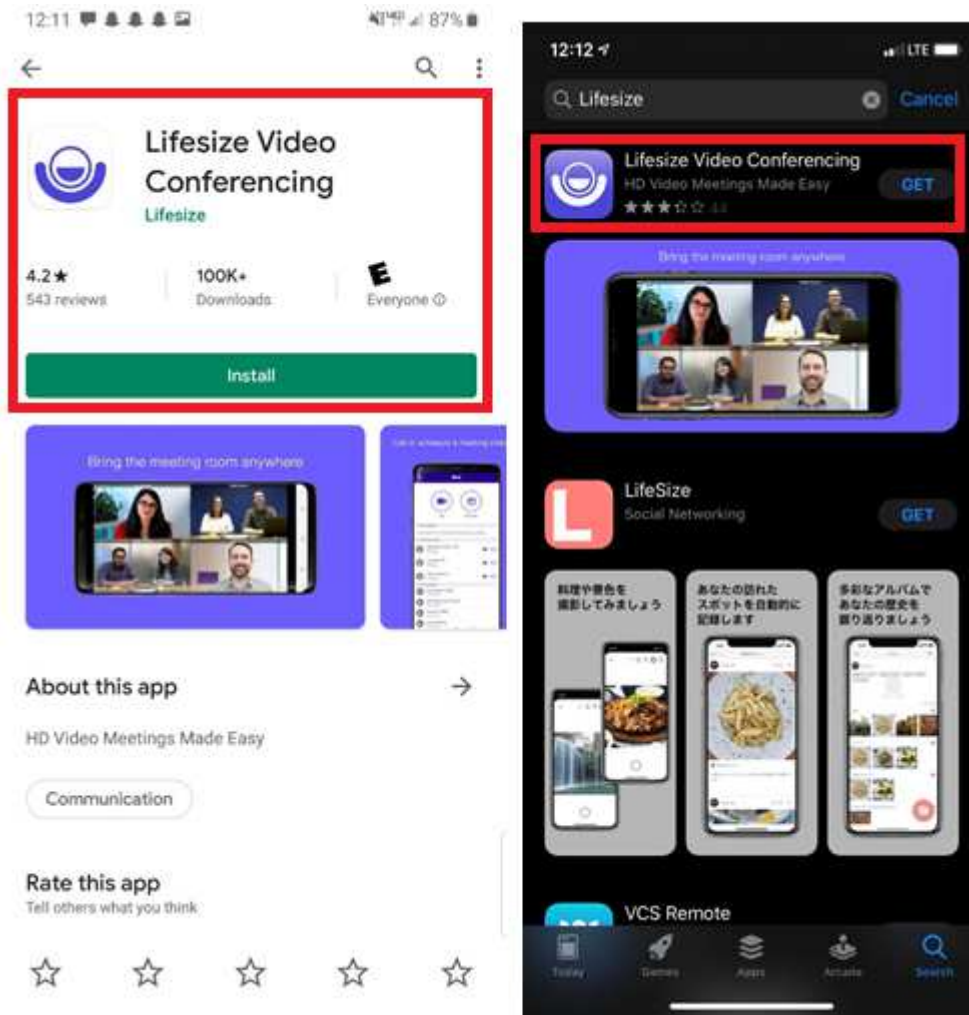

Please ensure you are in a secure area while calling your Doctor.

2. Search for the App “Lifesize” and click on the “Lifesize and Video Conferencing”

Please ensure you are in a secure area while calling your Doctor.

3. Click “Install” or “Get”

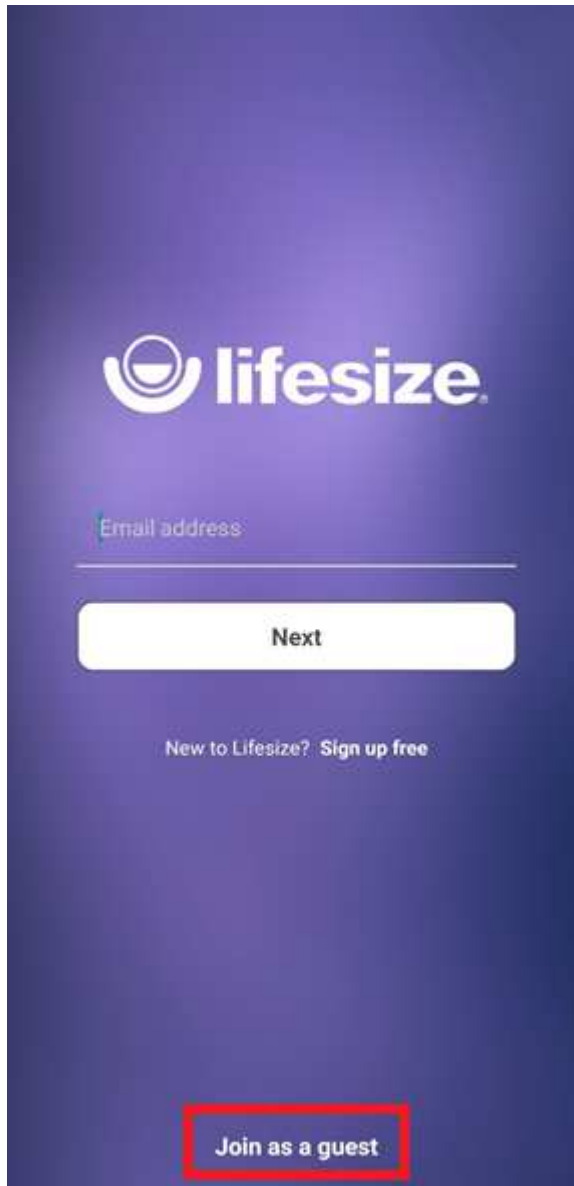

4. Once it is done installing find the app on your home page (it should look like the logo below) on click on it to open it.

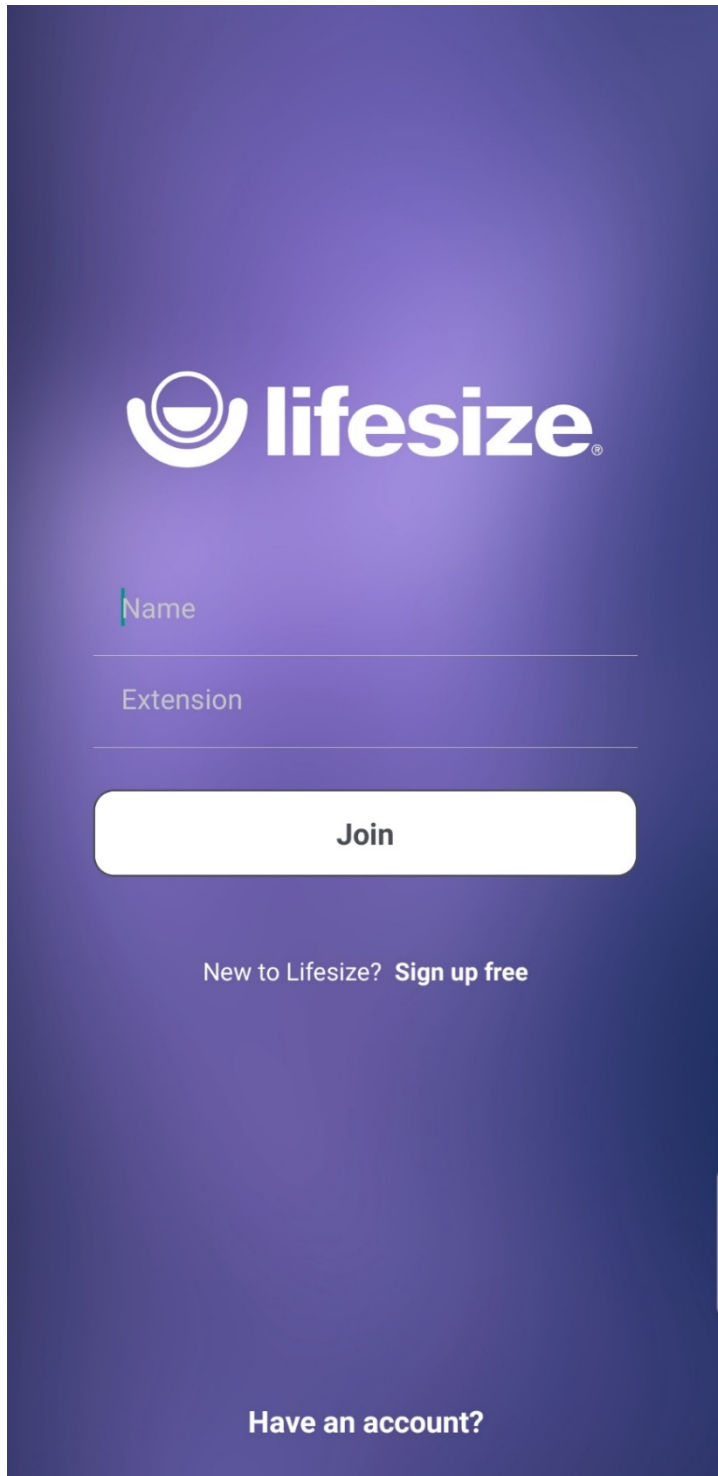

Please ensure you are in a secure area while calling your Doctor.

5. When "Lifesize" opens click on the "Join as a guest" text at the bottom

Please ensure you are in a secure area while calling your Doctor.

6. Enter your first and last name and the extension number provided by your doctor..

A screenshot of the Lifesize mobile application login screen. The background is a dark blue gradient. At the top center is the Lifesize logo, which consists of a white circular icon with a stylized 'L' shape inside, followed by the word 'lifesize' in a white, lowercase, sans-serif font. Below the logo are two input fields: the first is labeled 'Name' and the second is labeled 'Extension'. Both labels are in a light gray font. Below the input fields is a large, white, rounded rectangular button with the word 'Join' in a bold, black, sans-serif font. Below the button, the text 'New to Lifesize? Sign up free' is displayed in a light gray font. At the bottom of the screen, the text 'Have an account?' is displayed in a light gray font.

7. Click the "Join" button to start the call.
